Dear Honorable Judge Drain,

As you approach the impending hearing on the Delphi proposal announced on September 12, 2008 to resolve pension funding issues, I would like to bring the following issue to your attention. As you may be aware the group of retired Delphi Executives, listed in **Amended Schedule F – Creditors Holding Unsecured Non-priority Claims**, have been active with Delphi and General Motors (GM) to insure equitable treatment concerning our Supplemental Executive Retirement Program (SERP) portion of our pension agreement with Delphi.

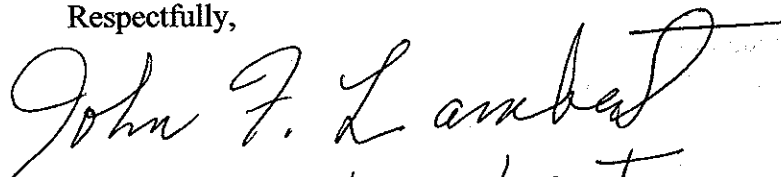

Following the delay of the original emergence plan in early 2008, the group initiated individual letters to General Motors (Mr. G. R. Wagoner, Jr., Chairman and CEO) and Delphi (Mr. Rodney O'Neal, CEO) to outline our concerns with the original treatment of the retired executives SERP claims (Attachment 1). We received responses from GM in the June - August 2008 timeframe stating "...sufficient assets were provided to Delphi for this benefit" (Attachment 2) on our behalf.

In the most recent pension settlement proposal of September 12, 2008, Exhibits 11, 13 and 15 raise serious concern, that while additional assets are being transferred for the SERP program, the current retirees will be excluded from equitable SERP treatment.

Our concern is that we would like to insure that fair treatment is given to the current retired executives through either (1) the continuation of our SERP payments or (2) through a fairly determined cash settlement. In either case, sufficient assets have been provided for SERP and therefore its continuance should not be subject to the risk of an indeterminate stock issuance (as cited in our individual letters to GM/Delphi as referenced in Attachment 1).

We would like to ensure your awareness concerning this issue and are requesting your careful consideration, that this matter be resolved fairly with respect to our concern in the final resolution of the larger issue.

Respectfully,

John F. Lambert
